PROPERTY DAMAGE COVERAGE FORMS

I. CLARIFICATION OR PROCEDURAL CHANGES

- **REPLACEMENT COST OPTIONAL COVERAGE**

In form CP 00 10, this Optional Coverage is revised to clarify that replacement cost coverage applies to tenants' improvements and betterments if the conditions of coverage are met.

In form CP 00 17, this Optional Coverage is revised to clarify that replacement cost coverage applies to personal property owned indivisibly by all unit owners, and to fixtures, improvements, alterations and appliances within a unit if such property is covered in the policy.

In forms CP 00 10, CP 00 17 and CP 00 18, this Optional Coverage is revised to more explicitly convey that the insured is not required to rebuild on the original premises, but the replacement cost is limited to the cost that would have been incurred in rebuilding at the original location.

- **DEBRIS REMOVAL LIMIT OF INSURANCE (CP 00 10, CP 00 17, CP 00 18, CP 00 20, CP 00 80, CP 00 99)**

The Debris Removal Additional Coverage is revised to clarify the provisions governing the amount of coverage, and to incorporate the excess limit which was previously found in the Limits of Insurance clause. Examples are added to illustrate how the amount of coverage is determined.

- **LIMITED LIABILITY COMPANIES (CP 00 10, CP 00 17, CP 00 18, CP 00 40, CP 00 70, CP 00 99, CP 10 30)**

In various coverage forms the Personal Effects and Property of Others coverage extension are revised to recognize members, managers and Limited Liability Companies.

Additionally, in CP 00 40 and CP 00 70 the Additional Insureds and Newly Acquired Organizations coverage extensions are revised to recognize Limited Liability Companies.

- **LOSS PAYMENT CONDITION (CP 00 10, CP 00 17, CP 00 18, CP 00 20, CP 00 80, CP 00 99)**

Language is added to the Loss Payment provision of the Loss Conditions section of the policy to clarify that determination of value is subject to the applicable Valuation Condition or any provision which amends or supersedes it.

- **VACANCY PROVISION (CP 00 10, CP 00 17, CP 00 18, CP 00 70, CP 00 99)**

The language of the Vacancy Condition is revised to:

- Clarify that rented space must be used to conduct customary operations, if a condition of vacancy is to be avoided.
- Restate the percentage threshold for vacancy under an owner's policy, with no change in the actual threshold.
- Add reference to the total square footage.
- Add references to a general lessee, lessee, sub-lessee and building owner, in various parts of the provision which relates to an owner's policy.

- **DEDUCTIBLE CLAUSE (CP 00 10, CP 00 17, CP 00 18, CP 00 20, CP 00 80, CP 00 99)**

The first paragraph of the Deductible clause is revised to elaborate on the interaction between this clause and the Coinsurance Condition in determining loss payment.

The second paragraph of the Deductible clause, which deals with losses to more than one item of insurance in one occurrence, is revised to clarify that the losses will not be combined in determining application of the Deductible. However, the Deductible will be applied only once per occurrence.

- **NEWLY ACQUIRED PROPERTY (CP 00 40)**

The phrase "the total of all" is deleted from the Newly Acquired Property Coverage Extension, thus clarifying the intent that there is building coverage up to \$250,000 at each building covered under the Extension, and coverage up to \$100,000 for personal property at each building.

- **INCREASED COST OF CONSTRUCTION (CP 00 10, CP 00 17)**

The Additional Coverage – Increased Cost Of Construction contains an exclusionary provision relating to pollution. Text is added, to make it explicit that the exclusion regarding pollution affects all aspects of the Increased Cost Of Construction coverage.

- **VALUABLE PAPERS AND RECORDS (OTHER THAN ELECTRONIC DATA) (CP 00 10, CP 00 17, CP 00 18, CP 00 99)**

Valuable papers and records (other than electronic data) are addressed in a Coverage Extension of that title. There is no change in coverage.

- **EQUIPMENT BREAKDOWN (EB) EXCLUSIONS (CP 10 30)**

Equipment Breakdown Coverage was previously provided within the Special Causes of Loss Form. This coverage will now be provided by endorsement.

II. BROADENING OF COVERAGE

- **SUPPLEMENTARY PAYMENTS – LOSS OF EARNINGS (CP 00 40, CP 00 70)**

The maximum daily payment for loss of earnings under the Supplementary Payments provision is being increased from the current \$100 to \$250 to more adequately recognize the earnings of many professions.

- **ADDITIONAL COVERAGE – INCREASED COST OF CONSTRUCTION (CP 00 10, CP 00 17)**

A new coverage, Increased Cost of Construction (ICC), is added under Additional Coverages. The ICC is a limited coverage for the increased cost of complying with building codes following covered damage to a building that is insured on a Replacement Cost basis. The ICC provides a limit of \$10,000 or 5% of the Limit of Insurance applicable to the building, whichever is less. For buildings insured under a blanket Limit, the 5% is applied to the value of the building as of time of loss. ICC coverage applies only to the repair, rebuilding or replacement of damaged parts of the building.

(7) A change by you or your representative in the activities or property of the commercial or industrial enterprise, which results in a materially added, increased or changed risk, unless the added, increased or changed risk is included in the policy.

b. We will mail or deliver advance written notice of cancellation, stating the reason for cancellation, to the first Named Insured, at the mailing address shown in the policy, and to the producer of record, at least:

Commercial Property Coverage Part

Farm Coverage Part – Farm Property – Farm Dwellings, Appurtenant Structures And Household Personal Property Coverage Form

a. If such coverage has been in effect for 60 days or less, and is not a renewal of coverage we previously issued, we may cancel this coverage for any reason, except as provided in b. and c. below.

(2) Cancelled or did not renew a policy issued by the California Earthquake Authority (CEA) that included an earthquake policy premium surcharge.

However, we shall cancel this policy if the first Named Insured has accepted a new or renewal policy issued by the CEA that includes an earthquake policy premium surcharge but fails to pay the earthquake policy premium surcharge authorized by the CEA.

c. We may not cancel such coverage solely because corrosive soil conditions exist on the premises. This Restriction (c.) applies only if coverage is subject to one of the following, which exclude loss or damage caused by or resulting from corrosive soil conditions:

- b. We will not refuse to renew such coverage solely because the first Named Insured has accepted an offer of earthquake coverage.

However, the following applies only to insurers who are associate participating insurers as established by Cal. Ins. Code Section 10089.16. We may elect not to renew such coverage after the first Named Insured has accepted an offer of earthquake coverage, if one or more of the following reasons applies:

- (1) The nonrenewal is based on sound underwriting principles that relate to the coverages provided by this policy and that are consistent with the approved rating plan and related documents filed with the Department of Insurance as required by existing law;
- (2) The Commissioner of Insurance finds that the exposure to potential losses will threaten our solvency or place us in a hazardous condition. A hazardous condition includes, but is not limited to, a condition in which we make claims payments for losses resulting from an earthquake that occurred within the preceding two years and that required a reduction in policyholder surplus of at least 25% for payment of those claims; or

- b. If the policy has been extended for 90 days or less, provided that notice has been given in accordance with Paragraph C.1.

CALCULATION OF PREMIUM

This endorsement modifies insurance provided under the following:

BOILER AND MACHINERY COVERAGE PART
CAPITAL ASSETS PROGRAM (OUTPUT POLICY) COVERAGE PART
COMMERCIAL AUTOMOBILE COVERAGE PART
COMMERCIAL GENERAL LIABILITY COVERAGE PART
COMMERCIAL INLAND MARINE COVERAGE PART
COMMERCIAL PROPERTY COVERAGE PART
CRIME AND FIDELITY COVERAGE PART
EMPLOYMENT-RELATED PRACTICES LIABILITY COVERAGE PART
FARM COVERAGE PART
LIQUOR LIABILITY COVERAGE PART
OWNERS AND CONTRACTORS PROTECTIVE LIABILITY COVERAGE PART
POLLUTION LIABILITY COVERAGE PART
PRODUCTS/COMPLETED OPERATIONS LIABILITY COVERAGE PART
PROFESSIONAL LIABILITY COVERAGE PART
RAILROAD PROTECTIVE LIABILITY COVERAGE PART

The following is added:

The premium shown in the Declarations was computed based on rates in effect at the time the policy was issued. On each renewal, continuation, or anniversary of the effective date of this policy, we will compute the premium in accordance with our rates and rules then in effect.

- **REPLACEMENT COST OPTIONAL COVERAGE – PERSONAL PROPERTY OF OTHERS (CP 00 10, CP 00 17, CP 00 18)**

An option is added to extend Replacement Cost coverage to the personal property of others. The extension may be selected only when Replacement Cost coverage also applies to the Building and/or Business Personal Property insured under the policy.

- **NEWLY ACQUIRED OR CONSTRUCTED PROPERTY COVERAGE EXTENSION (CP 00 10, CP 00 17, CP 00 18, CP 00 99)**

The Newly Acquired or Constructed Property Coverage Extension is revised to:

- equate the start of the 30-day coverage period (and the inception date for calculation of premium) with the start of construction of covered property;
- add coverage for business personal property at a newly constructed or acquired building at the insured location;
- specify that the business personal property itself may be insured property or newly acquired property (e.g., acquisition of another firm's inventory); and
- add coverage for newly acquired business personal property at the described building insured under the policy.

CAUTION: The Extension does not apply to:

- property at a fair, trade show or exhibition; or
 - personal property temporarily in the insured's possession either in the course of installing or performing work on such property or in the course of manufacturing or wholesaling activities.
 - **NON-OWNED DETACHED TRAILERS (CP 00 10, CP 00 17, CP 00 18, CP 00 99)**
- This new Coverage Extension provides limited coverage on non-owned detached trailers. Coverage is based on contractual responsibility and is provided in the amount of \$5,000, unless a higher limit is shown in the Declarations. The Coverage Extension is subject to the Causes of Loss Form that applies to the insured's business personal property (therefore, theft is covered only if the Special Causes of Loss Form applies, provided such Form has not been endorsed to exclude theft).
- **PROPERTY OFF-PREMISES (CP 00 10, CP 00 17, CP 00 18, CP 00 99)**

The Property Off-Premises Coverage Extension is revised to include limited coverage for stock, property at a storage location leased mid-term and property at a fair, trade show or exhibition. The limit was increased from \$10,000 to \$25,000.

III. REDUCTION OF COVERAGE

- **COLLAPSE COVERAGE (CP 00 20, CP 00 70, CP 10 20, CP 10 30)**

Under the Additional Coverage – Collapse, a definition of collapse is introduced to explicitly set forth the intended coverage.

The definition requires an abrupt falling down or caving in of the building or part of the building. The definition affects losses caused by hidden decay, hidden insect or vermin damage, or use of defective materials or methods in construction, remodeling or renovation. Other causes of loss named in the Collapse Additional Coverage are not affected by the definition of collapse because they are covered by the policy irrespective of whether there is a collapse.

- **INCREASED COST OF CONSTRUCTION (CP 00 10, CP 00 17)**

The Additional Coverage – Increased Cost Of Construction is revised to specify that such coverage does not respond to losses related to enforcement of laws which require, for example, demolition or repair of property due to fungus, wet rot, dry rot or bacteria, or the assessment or clean up of fungus, wet rot, dry rot or bacteria.

C00132

- **ELECTRONIC DATA – LEGAL LIABILITY AND MORTGAGEHOLDERS ERRORS AND OMISSIONS (CP 00 40, CP 00 70)**

Under revised Legal Liability Coverage Form CP 00 40, Covered Property does not include electronic data.

In revised Mortgageholders Errors And Omissions Coverage Form CP 00 70, under Coverage A (Mortgageholders Interest) and Coverage B (Property Owned Or Held In Trust), Covered Property does not include electronic data.

IV. CHANGES IN COVERAGE

ELECTRONIC DATA (CP 00 10, CP 00 17, CP 00 18, CP 00 99)

In the revised policy, electronic data (which is defined) is characterized as Property Not Covered, except as provided under Additional Coverage – Electronic Data. [The characterization of electronic data as Property Not Covered is not a comment on the essential nature of electronic data. Rather, Property Not Covered is designed to address situations which serve as exceptions to Covered Property or simply need to be identified as being outside the purview of coverage or full coverage.]

Under the Additional Coverage – Electronic Data, coverage is provided for the cost of replacing or restoring electronic data which has been destroyed or corrupted by a Covered Cause of Loss. The Covered Causes of Loss in this situation are certain named perils, including computer virus as limited. The Electronic Data coverage is subject to an annual aggregate limit of \$2,500 per policy, which applies regardless of the number of occurrences, premises, locations or computer systems involved.

Reduction in coverage: The new annual aggregate limit of \$2,500 per policy represents a reduction in coverage with respect to losses that would have been covered in the past under Valuable Papers And Records – Cost of Research. The previous coverage was in the amount of \$2,500 per premises for each occurrence, unless the Declarations showed a higher limit.

Potential broadening of coverage: As revised, the policy explicitly provides coverage under certain circumstances for corruption of electronic data, a type of loss which was not explicitly addressed in the policy in the past. The revised policy also makes it explicit that a computer virus is a covered cause of loss in many circumstances. To the extent that such losses would not have been covered in the past, the Additional Coverage – Electronic Data represents a broadening of coverage.

BUSINESS INTERRUPTION COVERAGE FORMS

I. CLARIFICATION OR PROCEDURAL CHANGES

- **TIME ELEMENT – SUSPENSION OF OPERATIONS (CP 00 30, CP 00 32, CP 00 50)**

A definition of the term suspension is introduced. Suspension of operations includes the slowdown or cessation of your business activities.

- **BUSINESS INCOME – SALES VALUE OF PRODUCTION (CP 00 30, CP 00 32)**

The coverage grant in the business income forms is revised to state explicitly that, for manufacturing risks, net income includes the net sales value of production.

- **EDITORIAL CHANGE TO CP 00 30 and CP 00 32**

The text of the Extended Period of Indemnity option is revised to make reference to subparagraphs (1)(b) and (2)(b) of the Extended Business Income grant since the Extended Period of Indemnity option is intended to apply to both rental value ((2)(b)) and other-than-rental-value ((1)(b)).

- **RENTAL VALUE (CP 00 30, CP 00 32)**

The definition of rental value has been revised to emphasize that continuing normal operating expenses are included and non-continuing expenses are deducted in computing loss of rental value.

- **EXTRA EXPENSE COVERAGE (CP 00 30, CP 00 50)**

The Extra Expense coverage grant, as revised, omits explicit reference to the expense of replacing valuable papers and records. The new limitations on electronic data, discussed above, affect valuable papers and records stored as electronic data. There is no particular restriction (and no change in coverage) relating to valuable papers and records in the paper medium.

The Extra Expense coverage grant is revised to clarify that repair or replacement of property is covered only to the extent that it reduces the amount of loss that otherwise would have been payable under the Coverage Form (CP 00 30 or CP 00 50).

- **BUSINESS INCOME AND EXTRA EXPENSE – ACTUAL LOSS SUSTAINED (21-30)**

Business Income and Extra Expense – Actual Loss Sustained (GECP 601) is replaced with Business Income and Extra Expense – Actual Loss Sustained (21-30). Business Income (and Extra Expense) Coverage Form (CP 00 30) will be added when Business Income and Extra Expense – Actual Loss Sustained (21-30) is endorsed to the policy.

II. BROADENING OF COVERAGE

- **TENANTS' PREMISES (CP 00 30, CP 00 32, CP 00 50)**

With respect to insureds who occupy part of a building, the meaning of premises is expanded to include any area within the building or on the site at which the tenant's premises are located, if that area services, or is used to gain access to, the tenant's premises.

- **ALTERATIONS, NEW BUILDINGS AND NEW LOCATIONS (CP 00 30)**

The following are extended to apply to Extra Expense coverage: Additional Coverage – Alterations And New Buildings and Coverage Extension – Newly Acquired Locations.

III. REDUCTION OF COVERAGE

- **MAXIMUM PERIOD OF INDEMNITY OPTIONAL COVERAGE (CP 00 30)**

When this option is made applicable to the policy, recovery for loss of business income and extra expense is limited to the amount of such loss or expense sustained during the 120 days following property damage, subject to the Limit of Insurance. Previously, this option applied only to business income loss.

- **BUSINESS INCOME AND EXTRA EXPENSE – ACTUAL LOSS SUSTAINED (21-30)**

Previously the period of restoration began immediately after the time of direct physical loss or damage. The period of restoration now under Business Income and Extra Expense – Actual Loss Sustained (21-30) will begin 72 hours after the time of direct physical loss or damage.

IV. CHANGES IN COVERAGE

INTERRUPTION OF COMPUTER OPERATIONS (CP 00 30, CP 00 32, CP 00 50)

In the past, coverage for business income loss due to damage to electronic media and records was limited to the longer of 60 days or the time needed to restore other property (unless a greater number of days was provided via endorsement CP 15 29). These time limitations, including amendment via CP 15 29, no longer apply.

In the revised policy, under an Additional Coverage – Interruption Of Computer Operations, coverage is provided for business income loss and/or extra expense (depending on the Coverage Form used in a particular policy) arising from a business interruption caused by destruction or corruption of electronic data by a Covered Cause of Loss. The Covered Causes of Loss in this situation are certain named perils, including computer virus as limited. The Interruption Of Computer Operations coverage is subject to an annual aggregate limit of \$2,500 per policy, which applies regardless of the number of occurrences, premises, locations or computer systems involved.

Reduction in coverage: In comparison to the time limitation used in the past, the new aggregate dollar limit represents a reduction in business income coverage. Coverage is also reduced for extra expense, because the aforementioned time limitation did not affect extra expense; the new aggregate limit affects business income and extra expense.

Potential broadening of coverage: As revised, the policy explicitly provides coverage under certain circumstances for corruption of electronic data, a type of loss which was not explicitly addressed in the policy in the past. The revised policy also makes it explicit that a computer virus is a covered cause of loss in many circumstances. To the extent that business interruptions related to such losses would not have been covered in the past, the Additional Coverage – Interruption Of Computer Operations represents a broadening of coverage.

CHANGES IN GLASS COVERAGE

- The Commercial Property Coverage Part includes coverage for glass that is part of a building or part of business personal property, if the building or business personal property qualifies as Covered Property. The covered causes of loss for such property are determined by the Causes of Loss Form that applies to Covered Property.
- If your previous policy did not include Glass Coverage Form CP 00 15, then either explanation (A) or (B) applies:
 - (A) If the Covered Property is subject to the Causes of Loss – Basic Form (CP 10 10) or Causes of Loss – Broad Form (CP 10 20), coverage is **broadened** in that the vandalism cause of loss no longer contains an exception for glass. Under CP 10 20, coverage is **also reduced**, in that the \$500 Additional Coverage – Breakage of Glass (applicable to causes of loss not otherwise covered under CP 10 20) is eliminated.
 - (B) If the Covered Property is subject to the Causes of Loss – Special Form (CP 10 30), coverage on glass is **broadened**. Coverage under CP 10 30 is expanded to include glass breakage caused by a cause of loss that is not otherwise excluded, and damage caused by chemicals applied to glass. [The coverage for glass breakage is accomplished by removal of a previous limitation.] The new edition of CP 10 30 also includes an Additional Coverage Extension pertaining to temporary plates and removal of obstructions.
- If your previous policy included Glass Coverage Form CP 00 15 and Covered Property is subject to the Causes of Loss – Special Form (CP 10 30) under your new policy, the following disclosure applies: Coverage for glass breakage is reduced in that CP 10 30 does not cover earthquake or flood. But if your policy is endorsed to cover earthquake and flood (separate endorsements), then glass coverage under the new policy is substantially equivalent to the old.

CAUSES OF LOSS FORMS

(and Causes of Loss Sections of CP 00 70 and CP 00 99 as listed in individual items)

I. CLARIFICATION OR PROCEDURAL CHANGES

- **EARTH MOVEMENT EXCLUSION (CP 10 10, CP 10 20, CP 10 30, CP 00 70, CP 00 99)**

The Earth Movement Exclusion is revised to separate the various types of earth movement into different paragraphs, and to provide some detail on the terms earth sinking, rising and shifting, including explicit reference to soil conditions, the action of water, and settling.

- **WATER DAMAGE NAMED PERIL (CP 10 20)**

The Water Damage peril is revised to clarify that it is intended to respond only to losses which involve the breaking apart or cracking of an on-premises system or on-premises appliance. The description of water damage under the Additional Coverage – Collapse is revised to follow suit.

This peril is also revised to specify that coverage does not include discharge or leakage from roof drains, gutters, downspouts or similar fixtures or equipment. Such equipment is not considered to be a covered system under the terms of this peril.

- **SPECIFIED CAUSES OF LOSS (CP 10 30)**

In the Causes of Loss – Special Form, the definition of "specified causes of loss" (named perils which apply under certain circumstances) is revised to clarify that water damage relates to the breaking apart or cracking of an on-premises system or on-premises appliance.

- **SPECIAL FORM LIMITATION ON VALUABLE PAPERS AND RECORDS (CP 10 30)**

This limitation does not apply to prepackaged software programs.

- **EXCLUSIONS (CP 10 10, CP 10 20, CP 10 30, CP 00 70, CP 00 99)**

Language is added in the section of the form pertaining to exclusions, to emphasize that exclusions apply whether the loss event results in widespread damage or affects a substantial area.

- **EXCLUSION OF NEGLIGENCE (CP 10 10, CP 10 20, CP 10 30, CP 00 70, CP 00 99)**

To complement and reinforce the Duties In The Event of Loss Or Damage condition in the coverage forms, which requires the insured to take all reasonable steps to protect the Covered Property from further damage, an exclusion pertaining to neglect is introduced.

- **CORPORATIONS AND LIMITED LIABILITY COMPANIES (CP 10 30)**

The exclusion pertaining to dishonest and criminal acts is revised to recognize members, officers and managers.

- **UTILITY SERVICES EXCLUSIONS (CP 10 10, CP 10 20, CP 10 30, CP 00 70, CP 00 99)**

A statement has been added to the Utility Services exclusions, explaining that failure of power or other utility service includes lack of sufficient capacity and a reduction in the supply of the service.

II. BROADENING OF COVERAGE

- **WEIGHT OF ICE, SNOW AND SLEET (CP 10 20, CP 10 30)**

Coverage is no longer precluded for loss or damage to gutters and downspouts caused by the weight of ice, snow or sleet.

- **PROPERTY IN TRANSIT (CP 10 30)**

Named perils coverage for personal property in transit, in or on a motor vehicle owned, leased or operated by the insured, is increased to \$5,000.

- **TIME ELEMENT PERIOD OF INDEMNITY CANCELLATION OF CONTRACT (CP 10 10, CP 10 20, CP 10 30)**

An exception (applicable to Business Income coverage forms) allows coverage for loss of business income related to suspension, lapse or cancellation of a license, lease or contract, if the suspension, lapse or cancellation was directly caused by a covered suspension of the insured's operations. The exception is revised to extend coverage to apply during an Extended Business Income period and any applicable optional extension.

III. REDUCTION OF COVERAGE

- **LOSSES INVOLVING FUNGUS, WET ROT, DRY ROT OR BACTERIA (CP 10 10, CP 10 20, CP 10 30, CP 00 70, CP 00 99)**

In the past, coverage for loss caused by fungus (including mold, wet rot and dry rot) was provided when the fungus resulted from a Covered Cause of Loss. Under property damage forms, the Limit of Insurance on the affected property was the maximum payable for the total of all damages (by the covered cause of loss and fungus) to the covered property. Under business interruption forms, the period of restoration, as defined in the forms, applied without exception to a suspension of operations involving fungus. Such coverage, for property damage and business interruption, still applies when fungus results from a fire or lightning loss.

As revised, the policy provides limited coverage when fungus results from a Covered Cause of Loss other than fire or lightning (Forms CP 10 10, CP 10 20, CP 00 99) or a specified cause of loss other than fire or lightning (as defined in forms CP 10 30, CP 00 70). Property damage coverage is subject to a \$15,000 annual aggregate limit per policy (unless such limitation is increased via endorsement CP 04 31). The \$15,000 (or higher) limit, which does not increase the amount of insurance on the affected property, represents a reduction in coverage. Under business interruption coverage (provided that a particular policy includes such coverage), when a business interruption is attributable to fungus, the period of restoration is limited to 30 days (not necessarily consecutive days). When fungus prolongs a business interruption that is attributable to other damage, a delay of up to a total of 30 days is covered (regardless of when the delay occurs during the period of restoration). In each case, the 30-day period (or a longest period if endorsed via CP 04 31) represents a reduction in coverage.

- **EXCLUSION OF CONTINUOUS OR REPEATED SEEPAGE OR LEAKAGE OF WATER OR STEAM (CP 10 10, CP 10 20, CP 10 30, CP 00 99)**

This exclusion has been revised by adding reference to the presence or condensation of humidity, moisture or vapor. The exclusion addresses conditions which persist over a period of 14 or more days.
